About the Trust

Established in 2010, the Birkenhead Primary School Learning Trust is a registered Charitable Trust that aims to provide additional resources and learning opportunities for both current and future students.

The primary goal of the Trust is to provide an enduring benefit for both present and future generations of Birkenhead Primary students, through the development of a capital investment fund.

Management of the Trust

The Learning Trust operates independently to the Board of Trustees and the Parent Teacher Association. It is comprised of voluntary Birkenhead Primary School parents and members of the community. They are dedicated to the long term success of this progressive initiative and are guided by professional legal and financial advice.

How the Trust is Funded

The Learning Trust is funded through direct donations, bequests, PTA contribution and fundraising.

The Learning Trust then offers the annual income from its investments to the school's Board of Trustees. The Board allocates this income to specific learning resources each year.

Support the Learning Trust: Alumni Legacy Wall

Alumni and Year 6 students can make a contribution to the Trust through the purchase of an Alumni Legacy Tile. Prominently displayed in the foyer of the School Hall, the Alumni Legacy Wall records the names and tenure dates of past students.

An Alumni Legacy Tile can be purchased for a \$200 donation (either individual or family). If you are interested in purchasing a tile, or for further information, please email us at info@birkenheadprimarytrust.co.nz.

Your tile will not only be your own personal legacy but will benefit all future Birkenhead Primary School students.

Why should I contribute?

By donating to the Learning Trust, you will have a key role in the ongoing development of the school and are helping future generations of local children get ahead. Your generosity will leave a personal mark on the school today and in the future.

As a Charitable Trust all donations are also tax deductible.
